Hashim Tahir

WORDPRESS & CMS DEVELOPER (WIX, SHOPIFY, WEBFLOW)

I'm Experienced WordPress developer & CMS Developer with over 4 years of expertise in e-commerce development. Proficient in creating exceptional websites across multiple platforms, including Shopify, Wix, Webflow, Javascript and php. Skilled in delivering high-quality projects, I am passionate about leveraging the power of WordPress to build engaging and user-friendly online experiences.

Key achievements include launching a lot of WordPress, wix sites, enhancing Shopify stores, and significantly improving website performance and security. My strong project management and client collaboration skills ensure timely, high-quality results and satisfied clients.

EXPERIENCE

WORDPRESS DEVELOPER (BILLION IDEAS PVT, LTD.)

Jan 2019 – Dec 2020

WordPress developer with a strong proficiency in additional platforms such as Shopify. My expertise lies in creating robust e-commerce solutions that drive sales and enhance customer experiences, leveraging the full capabilities of WooCommerce and Shopify.

I am skilled in designing and developing visually appealing, user-friendly websites that provide exceptional online experiences and engage users effectively. My extensive knowledge of WordPress plugins, themes, and customizations allows me to integrate complex functionalities that enhance website performance and user experience.

WORDPRESS & CMS DEVELOPER

(SOFTENICA TECHNOLOGIES PVT, LTD.)

2021 – 2024 July

Web developer with expertise in WordPress, Shopify, Wix, and Webflow. I specialize in creating, customizing, and managing websites, with a strong focus on e-commerce solutions. My skills include theme and plugin development, custom coding in PHP and JavaScript, and website speed optimization. I have successfully launched over 50 WordPress sites and enhanced numerous Shopify stores. My project management and client collaboration abilities ensure high-quality, timely deliveries and satisfied clients.

SENIOR WORDPRESS & CMS DEVELOPER (BETA WEB SOLUTIONS)

July 2024 – To Be Continued

WordPress CMS developer with extensive experience in WordPress, Shopify, Wix, and Webflow. I specialize in developing, customizing, and managing websites, with a strong focus on e-commerce solutions and website speed optimization. Proficient in PHP and JavaScript, I deliver custom features and maintainable code. I excel in creating high-converting funnels and landing pages using CRM platforms like GoHighLevel, System.io, and Kajabi.
